White Water Rafting

Athabasca River Canyon Run

Class 2+

The Athabasca River originates 100km south of Jasper from the glaciers of the Columbia Icefield. The river was used extensively by fur traders between 1810 and 1860 and has been designated a Canadian Heritage River. This trip starts at the base of Athabasca falls and plunges through numerous rapids surrounded by high canyon walls. After the canyon rafters enjoy wide open views as we paddle through the scenic Athabasca valley to our take out.

May to September: 9:00, 12:00, 1:30 & 2:30

Price: Adults between \$79.00 and \$84.00 and kids \$42.00

Round Trip Time: 3 - 3.5 hours

Sunwapta River

Class 3+ - Intermediate

'Sunwapta' is the Stoney Indian term for 'turbulent river' and this river lives up to its name. With a steep gradient and numerous rapids this is Jasper's wild water rollercoaster ride. The Sunwapta emerges from the Columbia Icefield and we raft very close to the headwaters of this silt-laden river. The only class 3 located fully within Jasper National Park it offers spectacular scenery and good wildlife opportunities. Don't miss the high water mid-June to late July!

It is perfect for the adventurous beginner and minors over 40 kilos (90lbs).

JUNE TO AUGUST: 9:30, 12:00, 1:30 & 2:30

Price: Adults \$94.00

Athabasca River Expressway

Class 2+

All our paddle trips take place on the Athabasca River. Designated as a Canadian Heritage River because of its scenic beauty and history of fur trade exploration, the Atha-B is a river that all can enjoy.

Under your guide's expert direction you will travel in 6 to 10 passenger, self-bailing rafts through calm stretches and small but lively rapids.

No experience is needed, only a desire to have fun, experience the beauty of the Canadian Rocky Mountains and get wet.

June to September: 10:30am, 1:30pm and 4:30pm

Price: Adults \$59 & kids (5-14) \$32

Round Trip Time: 2 hours

White Water Rafting

Fraser River

Class 3+

From our launching point in the shadow of the Mt. Robson, the "Mighty Fraser" serves up turbulent rapids and swirling eddies bound to soak every rafter! After a short portage around thundering Rearguard Falls we continue down the river, splashing through large rapids dwarfed by steep canyon walls. This trip provides great opportunities to spot wildlife and seasonal spawning salmon.

June to September: 10 a.m. and 1 p.m.

Price: \$109 per person

Self Drive: \$99 per person

Round Trip Time: 5 hours

Wildlife Tours

Maligne Valley Wildlife & Waterfalls Tour

This journey takes us through forty five kilometers of the most spectacular scenery anywhere in the Canadian Rockies. The Maligne Valley is home to a wide range of flora and fauna, and has geological features unique anywhere in the world. Our journey will be searching for the abundant wildlife while explaining the history and natural wonders to be explored. A 30 minute stop at Maligne Canyon allows us time to explore the two bridges, offering fantastic views of the cascading waterfall and continuing erosion of the ancient limestone.

As we continue into the Valley we will rise into the sub-alpine forests and view the expanding ranges of limestone rising out or Medicine Lake. This mysterious disappearing lake will change seasonally as the flow rates of melt waters fill and empty this basin. A stop is made to photograph this natural wonder and your guide will trace its history with you.

From Medicine Lake we continue up through forest that is prime habitat for moose, bears, and the elusive Mountain Caribou. Sightings are common but not guaranteed as we are trying to view these animals in their natural habitat.

At world famous Maligne Lake you will embark of the Boat Tour to Spirit Island. This will showcase the blue green glacial water of Maligne Lake and you will learn the human and geologic history of the area on the comfortable enclosed boat tour.

June to October: 9:30 a.m. and 12:30 p.m.

Full Tour Price: \$109.00

Guided Walk Only: \$65.00
